

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

29 March 1983

Richard L. Armitage
Deputy Assistant Secretary of Defense
(East Asia & Pacific Affairs)
Room 4E817 Pentagon

Dear Rich:

I think you will find this assessment on Mexico by one of my senior specialists both timely and provocative.

The Director, who asked for the analysis, has already forwarded copies to Secretaries Shultz, Weinberger, and Regan, and to Judge Clark.

Sincerely,

Henry S. Rowen
Chairman
